Steps to complete your exemption:

1. Visit the portal link above and create an account.
2. Complete the exemption application online.
3. Once approved (typically within 1–3 business days), download and print your **exemption certificate**.
4. Provide the signed certificate to the school office.

Important Reminder

During a disease outbreak, students without up-to-date immunizations or valid exemptions may be temporarily excluded from school until it is safe to return.
